☐ To comply with the data protection law (GDPR), we need your consent to record and store the details you give us. Please tick the box to consent to us using those details to administer this year's Tardebigge Produce Show and to contact you with information about next year's show. Many thanks!

Rules and Guidelines

1. Please bring your entries to the church from 9 a.m. onwards.
2. Judging begins at 11.00 a.m. so exhibitors must have left the church by that time.
3. Please ensure that you have completed the details above before you arrive. One entry form per person (regardless of number of classes entered).
4. If you wish to bring your car up by the church please do so before 10a.m. as no vehicles will be allowed into the churchyard after that time.
5. You may only make one entry in each class. The entry stewards will assign you an exhibitor number and give you sticky labels bearing the number. These need to be stuck to the underside of each exhibit. Items without an exhibitor number will not be judged.
6. You are responsible for displaying your entries, though there will be stewards to help.
7. The judge's decision is final.
8. Entries to be made by donation (minimum 20p per class). Proceeds to the church.
9. The show will be open to the public from around 1.30 p.m. Produce will be auctioned at approximately 3.30 p.m. unless section notes indicate otherwise. You may remove exhibits from 3.00 p.m. onwards if you do not wish them to be auctioned.
10. Presentations for cup winners will take place immediately after the auction. Merit cards for the first three places in each class will be available for collection at the back of the church.

Even if you are an experienced exhibitor we strongly recommend that you carefully read both the schedule AND the notes for exhibitors (available from Nick Reading at nick@readingdesigns.co.uk, or from the back of St. Bartholomew's), so that you are sure exactly what is being asked for. Every year, sadly, we have a number of exhibits which cannot be judged because they are incorrect - wrong number of items, unsterilized jam jars etc. - so if in doubt, ask!
